

WITCHES WOODS TAX DISTRICT

March 23, 2005

RE: Road Maintenance Statement

To Whom It May Concern:

The Witches Woods Tax District owns Crooked Trail Extension, Crooked Trail, Indian Spring Road, and Old Stone Road. The Witches Woods Tax District maintains these roads, so that they are passable 365 days a year. Our maintenance includes plowing and sanding in the winter months, repairs in the event of any washouts and general maintenance of grading and drainage. Our roads are open to emergency vehicles, fire, police, and ambulance. I hope this satisfies your needs concerning information on the maintenance of roads within the Witches Woods Tax District.

Sincerely,

Glen Humes
President
Witches Wood Tax District
